Activity Announcement

Segways

A track will be designed to test control and balance. It acts as an extended part of your body, where if you lean one way, it will go that way for you.

Holey Moley

The hungry moles pop up to nab their balls, a human is in the centre wielding an inflatable hammer to whack them on the head and stop

them being greedy! You have to be quick as the time is ticking on and the balls are depleting!

Meet the Team

Oliver Scott

My name is Oliver Scott, and I am the Media Manager for Carnival Marra! I'm really excited to announce what exciting activities we have planned for you all at the Causey Carnival, in May.

In Scouting, I hold a number of roles such as ACC: Scout Network, ADC: Scouts as well as a Scout Leader at my group, 4th Tynemouth.

I also work as a full time Network Engineer (IT Geek!) for ENGIE.

Much like the rest of the team, we're all looking forward to seeing you all descend upon Causey Park.

Hannah Lazenby

Hi, I'm Hannah! I own a dance school in Blyth, Timestep Dance Academy and teach a range of styles to children and adults of all ages. When we're not dancing at the studio we run lots of activities including tomahawk throwing, archery and crossbows. We also have a climbing wall!

I have been involved in Scouting over the last three years as an occasional helper and I am privileged to be able to help with the organisation of Marra 2020! I looking forward to meeting lots of you then.
